

WAKATIPU RANGE

This versatile range is suited to the hospitality industry.

Combinations of seating units, ottomans and table topped ottomans provide many seating variations.

Resilient foams are supported by gold label seat and back grade elastic webbing.

Kick space is provided under front edge.

This design has corner glued foam on front sides that give the furniture a sharp look.

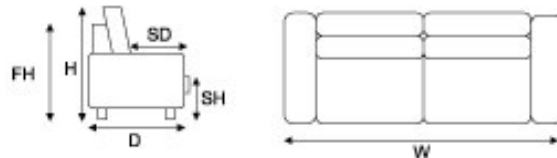

OPTIONS

Width of seating units and ottomans can be variable. 1200 mm is a nominal width.
